CAN'T GET ENOUGH
OF YOUR LOVE BABE

Words and Music by Barry White

Spoken: I've heard people say that too much of anything is no good for you babe,

but I don't know about that. As many times as we've loved and we've shared love and made love,

it doesn't seem to me like it's enough. It's just not enough babe.

It's just not enough.

My

Girl I don't know— I don't know why—

and make you un-der-stand—

It's like the more—
Girl, your love—
you give, the more I want, and baby that's no lie. Oh no.
for me is all I need and more than I can stand. Oh well.

babe, tell me. What can I say, what am I gonna do? How can I explain all the things I feel?

How should I feel when every thing is new? You've given me so much, girl, you're so unreal. What kind of love is this I keep loving you.

that you're giving me? more and more each time. Is it in your kiss or just because you're sweet? Girl, what am I gonna do because you're blowin' my mind.
Girl all I know
is ev'-ry time you're here
I feel a change,

some-thing moves.

I scream your name,
look what you got to do is.

Darling Anne,

ANYTHING YOU WANT ME TO

Words and Music by Barry White

Spoken: Nothin' and nobody

baby, could ever take or stop the love that I have for you.

It's very simple. You see, it's, baby it's real.
It's so, so real.

What I feel is for real.

And I'll... do for you anything you want me to.

You're my world, my hope and dreams. Without you there it don't mean a thing.
For you I'll do anything you want me to.

You're my world, my hope and dreams. Without you there it don't mean a thing.

WALKIN' IN THE RAIN
(WITH THE ONE I LOVE)

Words and Music by Barry White

Everyone's tryin' to get out of the rain. Oh it feels so good. The rain and thinkin' of you.

30 seconds street noises.

Soon as I get home I'm gonna call you and tell you how much I love you. Oh that feels so good.

Oh I'm just walkin' in the rain with the one I love, feel so fine.

Walkin' in the rain with the one I love, oh my my.
"To each—his own" I've heard them say,

well I've got mine in so many ways.

Like being together.

Whether near or far, is doesn't matter to me.

So in love with each other.

Giving love so warm and free, made our dream a reality.
And it lasts for ever and ever. With every step we make and every breath we take,
darling, just you and me. Oh I'm just walk-in' in the rain with the one I love,
feel so fine. Walk-in' in the rain with the one I love,

To Coda

oh my my. Ooh, ooh.
So in love with each other. With every passing day we share, we find love somewhere.

Just being together. Making love so tenderly, exploded into ecstasy.
And it lasts for ever and ever.
Together we hold the key to make forever our destiny.

Coda

I'm gonna call him right now.
Gee I hope he's home.

N.C.

"Hello."
"Baby, I'm home, I've got something to tell you."
"What?"
"I love you."
"I love you too, did you get caught in the rain?"
"Walk-in' in the rain with the one I love...

"Oh yes is was so beautiful, let me tell you how it started."

JUST THE WAY YOU ARE

Words and Music by Billy Joel

I never take anything for granted. Only a fool baby takes

things for granted. Just because it's here today, it can be gone tomorrow and that's one thing you'll

never in your life have to worry about me. If I'll ever change towards you because, baby I love you girl I love you

just the way you are.
